The New Year was ushered in with ringing the church bell. Mr. Thomas performing that service, while the Handle Works whistle was tied down for five minutes by Craig Rollins, night watchman.
A children's party which we failed to mention last week, was held at the Schofield home Wednesday afternoon from one to four. About fifteen children were present and all had a jolly good time. Light refreshments were served.
The new building for the accommodation of the saw mill to be built near Handle Works, will not be commenced until more settled weather, as the foundations will be of concrete, so says J. W. Scofield, who has the work of construction in charge.
Jackson Lee writes to the News from Estill Springs, Tenn., and informs us that he has accepted a position as stenographer with the Tennessee Milling Co., of that place, and requests the News forwarded to him there, which we cheerfully do. We are glad to keep in touch with "Jack," always wishing him well.
"Texas Bachelor," who writes from Will's Point, Texas, sends us his picture, drawn from "real" life, which we consider charming. His smile is spacious and only controlled by his jaws and teeth. We will put it on exhibition at 10 cents a peep, and after the nation has seen it—which of course everybody will—we will use it to scare the crows out of the corn next summer, if we decide to plant a row or two, which will hardly be necessary after making so much money off of exhibiting the likeness. Our friend wishes the News a "Happy New Year," and we hereby return the compliment and wish him luck.

Entertained.
Miss Grace Thomas was "at home" to a number of her friends Thursday evening in honor of her guest, Miss Clara Ford, of Chattanooga, and the following assembled at the Thomas home to partake of their hospitality and watch the old year out and the new year in: Mr. and Mrs. G. Sherman, Mrs. F. O. Pearson, Mrs. W. D. Dew, Miss Birdie Lewis, of Damascus, Va., Misses Verda Bennett and Louise Hill and Messrs. Louis DeSabbia, Hugh Jones and Byron Bennett.
A "bean contest" was a feature of the evening, each guest being given a bag containing fifteen beans, and being required to forfeit one of the beans to any person forcing them to say "yes" or "no." Many were the ludicrous "breaks" made in attempting to carry on conversation without these important adverbs. At the end of the contest beans were counted and a prize given to the one having the most. Byron Bennett coming off victorious with twenty-three.
While the bean contest was in progress a "nut guessing" contest was inaugurated. Eight questions to be answered with the names of some nut being written on sheets of paper and space left for answers below. Five minutes were given in which to answer these questions, and at the end of that time the papers were gathered up and Louis DeSabbia and Miss Verda Bennett were found to have answered the entire list of questions correctly, and were given prizes. Mrs. Dew receiving the "booby" or consolation prize. After these contests the guests were entertained with selections on the graphophone.
About eleven o'clock hot coffee and wafers were served, followed by fruits and candies, and when these good things were disposed of it was nearly midnight. Souvenirs of the occasion, consisting of magnolia leaves, with the dates, "1908" and "1909" and inscription, "Turn over a new leaf," written upon them, to which tied by baby ribbon, was a sheet of letter paper containing an appropriate sentiment, were presented to each guest.
After the hour of 12 had arrived and the church bell and factory whistle had announced the beginning of the year 1909, and mutual wishes for a Happy New Year had been exchanged, the guests departed for their various homes.
The evening passed very quickly and all had a pleasant time. The Thomas family always contrive to make their guests have a good time, as all who have enjoyed their hospitality can testify.

Anti-Saloon League Meeting.
A meeting of the anti-saloon league was held Friday night at Owen Church, conducted by the President, Rev. Dew. After a song by the choir, the committee on By-Laws appointed at previous meeting, reported as follows:
"The name of this organization shall be the Anti-Saloon League of Sequatchie, Tenn."
"Any person of good character shall be eligible to membership without regard to age, who shall be elected by a majority vote of the league."
"The officers of this organization shall consist of president, vice-president, secretary and treasurer, whose duties shall be the same as those of such officers in similar organizations. Said officers shall be elected by ballot and hold office for one year from election."
"The regular meetings shall be held first and third Fridays of each month at 7 p. m., at Owen Church."
"The meetings shall be conducted according to parliamentary usage."
"Any member of this league being an actual witness to a party giving intoxicants to a minor is obligated by this By-Law to report same to proper officer or Grand Jury at next term of court."
"The expenses of the league shall be defrayed by voluntary contribution."
"The President shall appoint a program committee of three members every three months, whose duty it shall be to meet previous to meeting on regular meeting nights, draw up programme and report on same when asked for by President."
The By-Laws as read were adopted by a majority vote of the League.
A few remarks were made by Maj. Thomas H. Hill advocating the cause of temperance and congratulating the people of Sequatchie on their movement in the interest of state wide prohibition. The house was canvassed for new members while the choir sang, and after a short talk by the President, the benediction was pronounced and adjournment made.

Scientific Spanking
consists in punishment only when a child is actually bad. Some mothers think that all crying is badness, it's not. When your baby cries, look for pins or some external cause, if you can't find them give the baby White's Cream Vermifuge as the chances are it is suffering from worms which keep it hungry and cross all the time. Pleasant to take—sure in its action. Sold by Sequatchie Supply Store. Price 35c.

Say, you writer of Benton, Ill., you had better reverse your subjects in last week's letter. If the fellows who attended a dance would leave the liquor and bad manners at home, they would see quite a difference when attending such places. It very often takes two or three drama to make a fellow's mind deceive him, and think he is as good as a couple of men. Just you try and attend a few more dances, but leave your 44s and bad language at home, and show more courtesy to the people who chance to be there.
Rev. Carden, of Chattanooga, was in the city on Sunday preaching to his many friends.
Mr. Dan Tate, school superintendent, was here Sunday.
Mr. Rapier, of Bridgeport, was here on Sunday, making pictures.

ELASTIC ROOF PAINT
for tin, metal, paper, felt and rubberoid roofs. Is proof against the weather or rust. Absolutely non-porous. Will not crack, peel, blister or scale. Will not evaporate after once set. Is a fine water-proofing material. Contains no ingredients such as salt and lime which enter into the composition of the major part of the so-called roof and iron paints on the market to-day which have no elastic qualities and are destructive to metals and fibres, and are bound to crystallize any metal. It is germ proof.
